About

"BSEC" has always succeeded in immense challenging ventures. We believe that the furious and violent winds blow only to make the eagles fly higher.

In "BSEC" we care for expectations, trust, satisfaction, reliability and win confidence of our valued Clients.

We are custodians of traditional business ethics and at the same time have compliance with health, safety and environment. Safety and Quality are our key indicators for performance of individuals as well as for whole Company.

I feel immense pleasure in sharing my thoughts with my team and expect them to keenly participate in initiatives to meet these most important corporate objectives. I would like to share a quote by a great man "You don't need to be a genius or a visionary, or even a college graduate for that matter, to be successful. You just need framework and a dream."

Company Implemented of projects in amount of (15) billion Iraqi dinars in 2017.

Like other emerging constructions companies, (BSEC) Construction Company is benefiting from this economic growth and favourable construction movement. We contribute to moving forward the construction wheel by developing different construction plans and diversification in government and private projects in order to meet local construction market demands. Furthermore, we provide job opportunities to the youth of the country and building professional cadre in addition to achieving the higher goal of the development plans. This has been our objective since the establishment of the company in Basra and we have strived to extend our projects to other cities in Iraq.

One of major strategic is continuously train our engineers and staff for new technology programs that keeps us updating on the latest requirement of innovation for a successful services.

Authorized Manager
Ghazi. F. Faleh

Company's Policy

Working with (BSEC) Construction Company is an enriching experience on a professional level. The major challenges that we face in achieving our vision as a company further enriches the work experience. One thing that makes it easier to overcome these challenges successfully is the team spirit enjoyed by members of our company.

As a group, our company focuses on achieving its vision through a combination of experienced professional skills with a sense of initiative that creates a highly skilled team that can deliver competently and professionally. This helps us to reach the desired degree of satisfaction which is one of our most important policies.

As a team, we adhere to the five values which we have found to be the ideal method to achieve our goals and objectives. We consider these values as the most important administrative improvements that we adhere to. We always strive to achieve the maximum we can to realize the company's vision as well as the satisfaction of our valued customers

Our Vision , Mission & Our Value

Vision

(BSEC) for General Trade aims to construct and equip more projects that will improve and contribute to the development of its surrounding area where (BSEC) operates. We also aim to continue nurturing our excellent business relationships with local and international companies and expand these relationships by preparing more projects successfully.

Our future vision includes expanding our relationships and business transactions locally and globally with current and new partners. Those expansions will allow (BSEC) to prosper and achieve further success.

Mission

The company aims to maintain its successful business relationships with other business clients and acquaintances by providing them with high-end equipment that serves their needs to ensure successful results and prosperity to all parties.

We are providing a successful example of professional trading and business transactions that will ensure the success and prosperity to all parties involved.

“ To build the future through the master-minds of the group’s professional personnel by mixing the past with the present and achieving its goal through its participation & involvement in highly important projects,

VALUE

EXCELLENCE

We are in a hazardous business, and are committed to excellence through the systematic and disciplined management of our operations. We follow and uphold the rules and standards we set for our company. We commit to quality outcomes, have a thirst to learn, and to improve. If something is not right, we correct it.

ONE TEAM

Whatever the strength of the individual, we will accomplish more together. We put the team ahead of our personal success and commit to building its capability. We trust each other to deliver on our respective obligations.

RESPECT

We respect the world in which we operate. It begins with compliance with laws and regulations. We hold ourselves to the highest ethical standards and behave in ways that earn the trust of others.

COURAGE

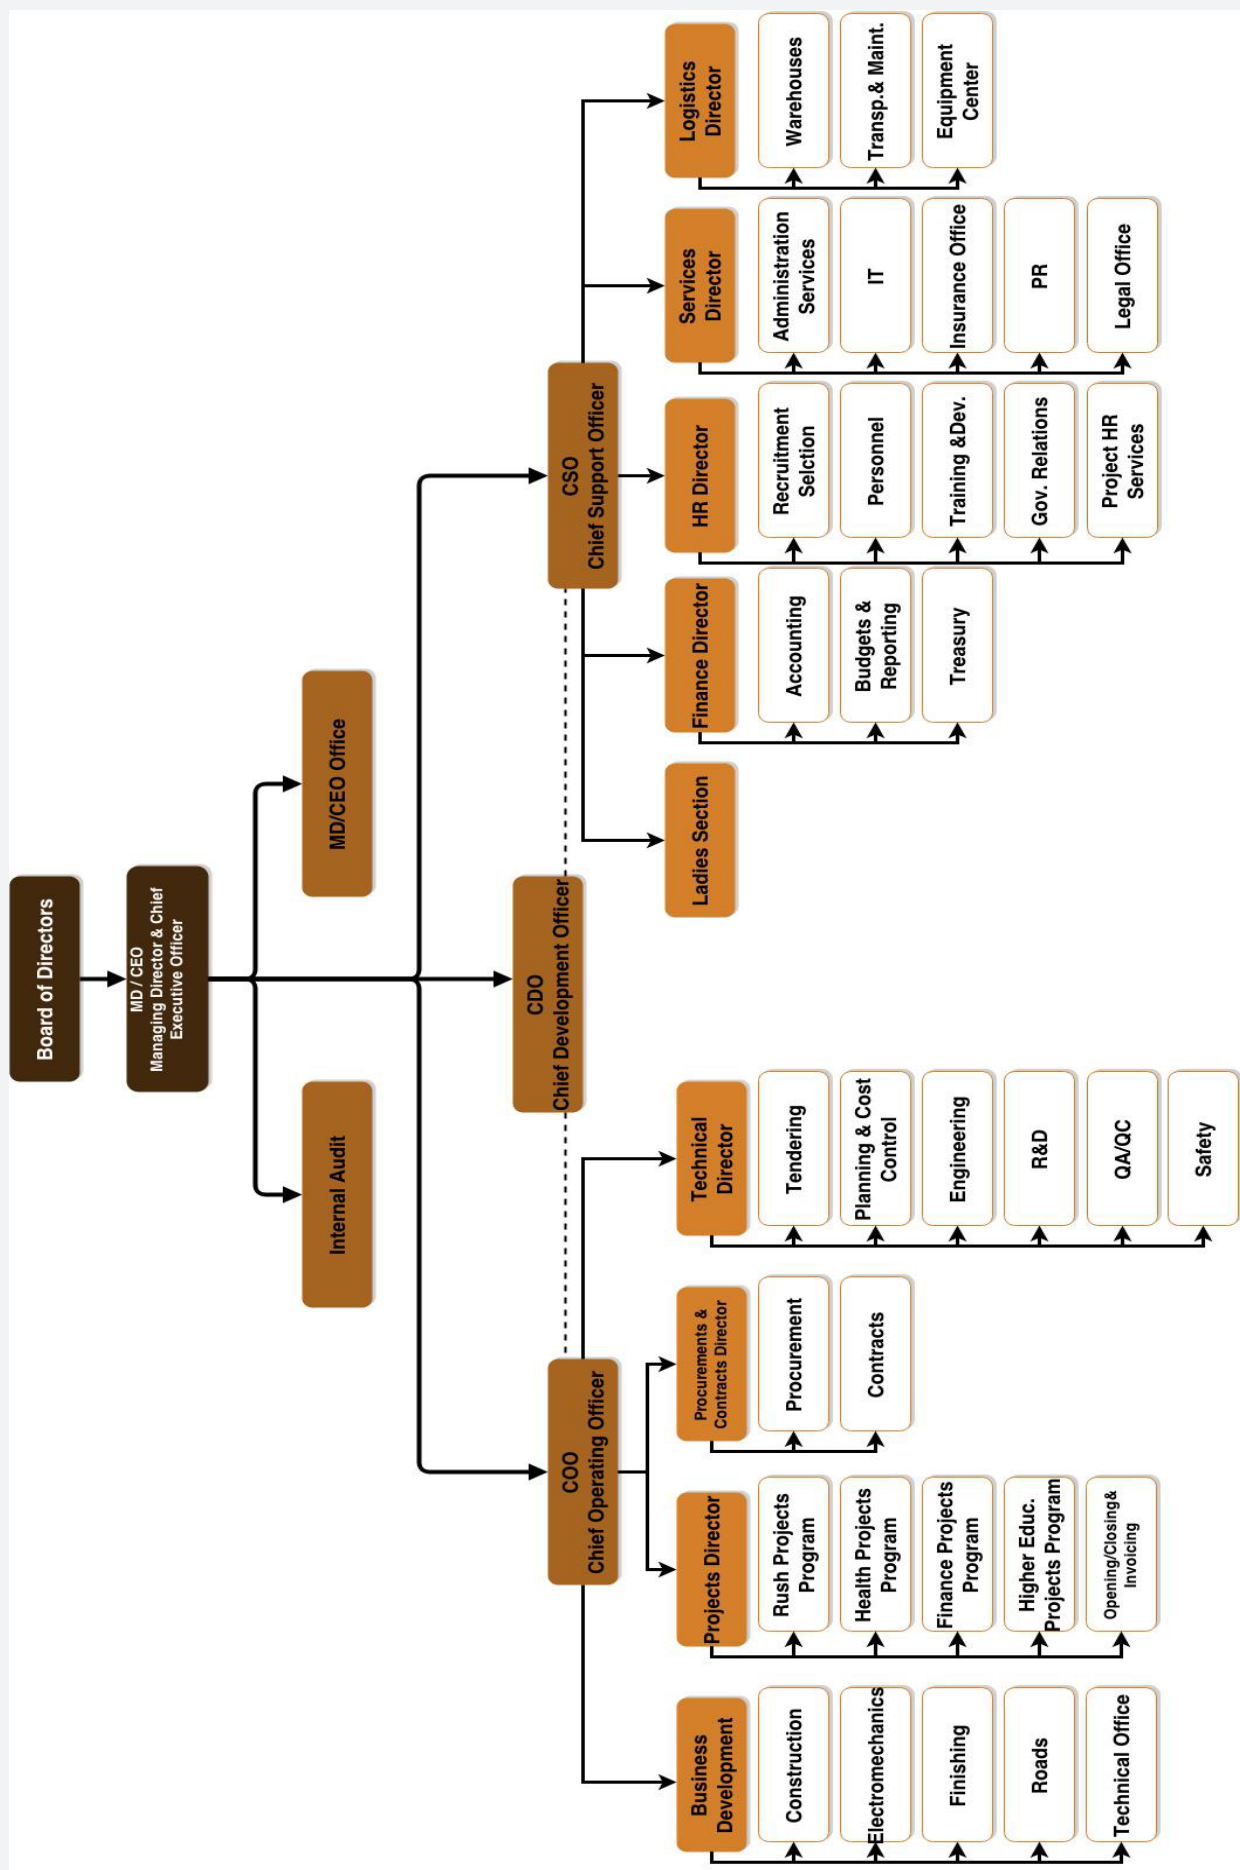

What we do is rarely easy. Achieving the best outcomes often requires the courage to face difficulty, to speak up and stand by what we believe. We always strive to do the right thing. We explore new ways of thinking and are unafraid to ask for help.

Our Team

(BSEC) has its own work forces to perform the majority of work. We have available sufficient heavy equipment to perform all utility and the site development work for the typical construction project. With respect to building construction, our own work forces have the ability to perform all earth work, concrete work, steel erection, carpentry, drywall and other works, related to our services. Our team has also specialists in installation of specialty products, equipment and heavy machinery mechanics, as well as catering specialists. It is our philosophy that we are better able to manage the construction process, affect efficient construction costs and maintain and expedite the construction schedule by performing large portions of the work with our own equipment and personnel.

Organizational Chart

Capacity

Heavy Equipments Department

It is not a secret, that without proper machinery and equipment most of projects would be impossible to execute. That is why BSEC gives special consideration to machinery, vehicles and equipments. HEALTH, SAFETY & ENVIRONMENT

The Management of BSEC is committed to the prevention of accidents, equipments and material damage, as well as the protection of health and environment by adhering to the following convictions:

- Wide-spread awareness of health, safety and environmental programs.
- The implementation of the "On- site safety rules and regulations" as defined and documented in our safety plan.
- Compliance with the safety regulations as stipulated in contracts.
- Reporting and documentation of any accident resulting in personal injury and/or damage to equipment and materials.
- Monthly reporting on total man-hours versus lost time accidents. A safety plan is prepared accordingly to ensure strict adherence to the contracts as well as fire & safety regulations.

QMS & QA-QC Plans

Implementing a Quality Management System (QMS) helps improve the way operations are run and enhances efficiency and profitability. Furthermore, it can help in overcoming market barriers.

The purpose of applying the Quality Management Procedure at BSEC is to identify the responsibilities and to define the management's innovative approach for improvement in the performance of all member companies of the Group.

The Quality Management System document addresses the requirement for Management Responsibility in accordance with BSEC internal organization. This is prepared to ensure that the elements needed to monitor continuous improvement on the performance of the company's Quality Management System are in place and applied at all our projects by staff members who are specialized in application and auditing.

Quality policy

BSEC has defined and approved a quality policy that applies to the entire personnel. The corporate management is committed to implementing the quality policy and supporting reaching the goals. BSEC's quality is based on implementing the goals specified below and assessing the results.

Customer

The basic idea with our business is acting in an open and honest manner, and respecting our customers in order to achieve their trust. We can meet the needs and expectations of our customers with our strong expertise and high-quality business. We aim at doing what we promise, and the customer can expect a little more from us.

Correct product

We study the customers' needs and requirements imposed on the products in all construction projects. Based on the information obtained, we agree on the project quality, cost and schedule objectives.

Faultless construction

Our principle is to deliver a product complying with the agreement on time, without faults and fully completed.

Management and personnel

Ensuring quality the corporate management is in charge of implementing the quality policy and offering the preconditions needed to implement the policy for all personnel groups. Continuous development and training for all personnel groups ensure controlled high-quality business.

Our Company quality objectives are to complete projects in accordance with the agreed programme, specification and cost, to the highest standards of quality and efficiency whilst ensuring that statutory and regulatory requirements are complied with and client expectations are met.

Our Company is fully committed to the Quality Management System and its continued improvement, and has assigned responsibility in this regard to the Managing Personnel, whose duties include ensuring that Management Review meetings are held at regular intervals to review the system's effective operation and development.

The Company's Quality Management System conforms to the requirements of ISO. It is subject to regular examination and assessment by an independent certification authority, which ensures a process of constant evaluation and improvement. Our Company also conforms to Environment Management System (ISO) and Health & Safety Management System (OHSAS). This benefits our Clients and how we conduct our business, while enhancing the standing of Our Company in the construction industry.

العمل مع (بناء الشروق الهندسية) هو تجربة غنية على المستوى المهني، تتمثل التحديات الرئيسية التي نواجهها في تحقيق رؤيتنا كشركة هو كيفية إثراء تجربة العمل لدينا وتحقيق طموحاتنا، الشيء الوحيد الذي يجعل من الأسهل التغلب على هذه التحديات بنجاح هو روح الفريق التي يتمتع بها أعضاء شركتنا.

(بناء الشروق الهندسية) كشركة تركز على تحقيق رؤيتها من خلال مزيج من المهارات المهنية من ذوي الخبرة مع شعور المبادرة التي تخلق فريق من ذوي الخبرات العالية التي يمكن أن تقدم أفضل الخدمات بكفاءة ومهنية، وهذا يساعدنا على الوصول إلى الدرجة المطلوبة من النجاح الذي هو واحد من أهم السياسات لدينا.

كفريق واحد، نحن نتمسك بالقيم الخمس (الاحترام المتبادل بين الفريق وقمة هرم الشركة، الاخلاص بالعمل، احترام البيئة، تقديم السلامة على اي شيء اخر، لا سقف للطموح) التي وجدنا أنها الطريقة المثلى لتحقيق أهدافنا وغاياتنا، ونحن نعتبر هذه القيم أهم التحسينات الإدارية التي نلتزم بها، كذلك نسعى دائما لتحقيق أقصى قدر ممكن لتحقيق رؤية الشركة وكذلك رضا عملائنا الكرام.

سياسة الشركة

”

أولوياتنا تكمن في التمسك باخلاقيات العمل ، المهنية وسلامة المجتمع، الرؤية الهادفة والصحيحة لانجاح العمل

43,912,628,825 دينار عراقي

الحسابات الختامية للشركة لسنة 2018

15,292,569,397 دينار عراقي

الحسابات الختامية للشركة لسنة 2017

مقدمة

تقوم (بناء الشروق الهندسية) بتنفيذ مشاريع مدنية، وميكانيكية، وتمديد شبكات الأنابيب، خطوط الأنابيب، بالإضافة إلى أعمال الكهرباء والمعدات في الموقع.

كما أنها ركزت في أعمالها على مجالات النفط والغاز، وتوليد الطاقة وتوزيعها، ومعالجة المياه وتوزيعها، إضافة إلى الكيماويات، والبتروكيماويات، والبنية التحتية. وقد دخلت الشركة في عدد من مشاريع النفط والغاز لتقديم خدمات الهندسة، والتوريد، والبناء بالتعاون مع شركات رائدة عالمية كاتحادات أو مشاريع مشتركة.

وتعمل الشركة كمقاول بناء، وتقدم خدمات الهندسة، والتوريد، والبناء لعدد من الشركات مثل شركة مصافي الجنوب، وشركة غاز البصرة، بالإضافة إلى شركة الحفر العراقية وشركة "بي بي" البريطانية وشركة بتروجينا الصينية.

وقد نفذت الشركة مشاريع بمبلغ تفوق (15) في عام 2017 كما في الحسابات الختامية لتلك السنة.

إضافة إلى ما سبق، تمتلك الشركة خبرة واسعة في عمليات التشغيل والصيانة لمخيمات المواقع والمكاتب أيضاً، فكوننا شركة محلية يجعلنا قادرين على إدارة مرافق المواقع وكل ما يتعلق بها وهذا ما يميزنا عن غيرنا من الشركات.

(بناء الشروق الهندسية) شركة بناء وتأهيل تستفيد من هذا النمو الاقتصادي وحركة البناء في العراق. وتساهم في المضي قدماً في عجلة البناء من خلال تطوير خطط البناء المختلفة والتنوع في المشاريع الحكومية والخاصة من أجل تلبية متطلبات سوق البناء المحلية. وعلاوة على ذلك، نحن نقدم فرص عمل للشباب في البلاد وبناء كادر المهنية بالإضافة إلى تحقيق الهدف الأعلى من خطط التنمية. وكان هذا هو هدفنا منذ تأسيس الشركة في البصرة، ونحن نسعى جاهدين لتوسيع مشاريعنا إلى مدن أخرى في العراق.

واحدة من الاستراتيجيات الرئيسية في (بناء الشروق الهندسية) التدريب المستمر لكوادرها من المهندسين والفنيين والإداريين على البرامج والتكنولوجيا الحديثة لمواكبة التطورات والنهوض بالعراق الحبيب.
